

NUS University Health Centre – Shingrix Vaccination 2024

TERMS AND CONDITIONS

The regular rate of Shingrix charged at UHC is \$414.20 (includes 9% GST).

To make Shingrix vaccination more accessible, the Shingrix vaccination will be offered at a special rate of \$320 per dose (includes 9% GST) at the University Health Centre (UHC) from 19 Feb to 05 Apr 2024¹.

You are required to take two doses of the Shingrix Vaccine. The second dose must be taken two to six months after the first dose.

If a staff / student has taken their first dose during the promotional period at the University Health Centre (UHC), they are eligible to make a reservation for their second vaccination dose at the same special rate.

All payments must be made on site at the University Health Centre (UHC).

To reserve your second dose, payment for the second dose must be made on the same day as the first dose.

The above rate is offered to all NUS staff and students 50 years old and above. Your staff / student card and Singapore identification card are required at the point of registration.

Dates	Shingrix Vaccination Price (Per Dose) (GST inclusive) *
Only available from 19 Feb to 05 Apr 2024 ²	\$320
After 05 Apr 2024	\$414.20 (Regular rate) (except for individuals who have pre-paid their reserved second dose during the promotion period)

* Rates are accurate as of 28 Nov 2023.

IMPORTANT – KINDLY READ BEFORE YOUR VACCINATION

You will be required to attend a doctor's consultation (for first visit only) at the University Health Centre (UHC) before undergoing the above vaccination.

Consultation charges for the Shingrix vaccination will be **waived** during this promotion.

If you have taken your earlier dose from a clinic other than the University Health Centre (UHC), you will still be required to attend a doctor's consultation at the University Health Centre (UHC).

Kindly note that you will need to be observed after your vaccination. Hence, please arrive at the University Health Centre (UHC) punctually for registration and allow sufficient time for observation following your vaccination.

The Shingrix vaccination may not be suitable for you if you are sensitive or allergic to any of its components or have an acute infectious illness that you have not recovered from. Please wait until you have recovered from the illness before taking the vaccination.

When coming to UHC for your vaccination, please wear:

- **your mask** and,
- clothes with **short sleeves or sleeves loose enough to be rolled up** as the vaccine will be injected into your upper arm.

Please see the final page.

¹ The promotion exercise is subject to stock availability.

² The dates exclude weekends as well as public and University holidays.

Receive a free giveaway when you participate during the promotion period. Please redeem your giveaway at the counter. Only one giveaway per staff / student. Giveaways are available while supplies last.

If you have further clarifications regarding this vaccination exercise, please email uhc_health@nus.edu.sg.

Kindly note that the University Health Centre reserves the right to amend or modify the above terms and conditions at its sole discretion and at any time. The above is accurate as of 13 March 2024
