**FACT SHEET – 1 Aug 2022 to 31 Jul 2023**

**NUS Group Outpatient Specialist Insurance (SP)**

| Emergency | Means a serious injury or the onset of a serious condition which requires immediate medical attention to prevent death or serious impairment of health to insured member. |
| Illness | Means a physical condition certified by a Registered Medical Practitioner as a pathological deviation from the normal healthy state. |
| Injury | Means damage or harm caused to the body by an external force suffered during the period of insurance and which is caused only by an accident. This does not include all medical conditions, diseases, sickness, bacterial infections or viral infections, even if these conditions resulted from, or are connected with, the accident. |
| Medically Necessary | Means that a medical service or supply is necessary and appropriate for the diagnosis or treatment of an injury or illness of the insured member based on generally accepted western medical practice in Singapore. A medical service or supply will not be considered medically necessary if: |
| (a) | It is provided only as a convenience to the insured member or medical provider; |
| (b) | It is not appropriate treatment for the insured member’s diagnosis or symptoms; |
| (c) | It exceeds (in scope, duration or intensity) the level of care that is necessary to provide safe, adequate and appropriate diagnosis or treatment; |
| (d) | It is experimental; |
| (e) | It is for social or domestic reasons or for reasons which are not directly connected with treatment; |
| (f) | It is a matter of personal choice; or |
| (g) | It is an elective treatment. |
| Panel General Practitioner | Means a Registered Medical Practitioner who is from clinics that are appointed by us, including Registered Medical Practitioner from polyclinics or Specialist Outpatient Clinics (SOC) in restructured hospitals. |
| Reasonable Expenses | Means expenses paid for medical services or treatment which are appropriate and consistent with the diagnosis and according to accepted medical standards, and which could not have reasonably been avoided without negatively affecting the insured member’s medical condition. These expenses must not be more than the general level of charges made by other medical service suppliers of similar standing in Singapore for the services and supplies. |
| Registered Medical Practitioner/Physician | Means a doctor qualified in western medicine who is licensed and authorised in the geographical area they are practicing in to provide medical or surgical services. They cannot be the insured member or the insured member’s family member or his/her business associates including any business partner, employers or employees. |
| Specialist | Means a Registered Medical Practitioner who has the extra qualifications and expertise needed to practice as a recognised specialist of diagnostic techniques, treatment and prevention, in a particular field of medicine including but not limited to neurology, pediatrics or orthopedic. They cannot be the insured member or the insured member’s family member or his/her business associates including any business partner, employers or employees. |
| X-ray & Laboratory Test | Means x-ray and laboratory test recommended by a Registered Medical Practitioner for a covered illness or injury. |

Please refer to the Policy for the complete list of Definitions.

### Some Conditions

**Expenses covered by other sources**

In the event an insured member is covered under:

- a) Any occupational insurance including but not limited to any insurance effected pursuant to the Work Injury Compensation Act (cap.354) and any revisions thereof;
- b) Any insurance coverage under the government legislation; or
- c) Other group or individual insurance excluding Integrated Shield Plan and its rider.

The benefits payable under this policy shall be limited to the balance of the medical expenses incurred which are not covered or payable by the above listed (a) to (c), subject to the benefit limits computed in accordance to the table of insured benefits and terms and conditions of this policy.

### Subrogation

We shall be entitled to undertake in the name of and on behalf of an insured member the absolute conduct, control, defense and/or settlement of any proceedings and at any time to take proceedings at our expense and own behalf, but in the name of the insured member to recover compensation or secure indemnity from any third party in respect of anything covered under this policy. The insured member shall cooperate fully with us in this respect and shall not do anything to prejudice our rights.

### Right of recovery

We may recover any amount we paid for charges that are not covered under this policy or exceeded the maximum benefits limit as specified in the table of insured benefits. The policyholder and/or the insured member shall fully indemnify and reimburse us for such amount within 30 days from the date of notice given by us requesting for reimbursement.

### Difference in opinions

In the event of any differences in opinions between our Registered Medical Practitioner and your Registered Medical Practitioner, our Registered Medical Practitioner’s opinion shall prevail.

### Claim conditions

Before any benefits are payable under your policy, the insured member has to ensure that the following requirements are being met:

- a) It shall be a condition precedent to our liability under this policy that all claims shall be made within 60 days from the date of invoice of a medical claim. All claims shall be made on our claim form and submitted to us together with the original copies of receipts and itemised bills.
- b) Any information required by us for assessing the claim shall be furnished by the insured member at the insured member’s expense.
- c) Any benefits payable under this policy shall be paid to you or the insured member. The insured member or your receipt of any benefit payable under your policy shall in all cases be deemed final and complete discharge of all our liability.

Failure to furnish notice within the time provided in this policy shall invalidate the claim unless claimant shows that it was not reasonably possible to give such notice within such required time and that notice was subsequently given as soon as reasonably possible.

Please refer to the Policy for the complete list of conditions.
