NUS University Health Centre – HPV Vaccination Exercise

Terms and Conditions

To make HPV vaccination more accessible, the HPV vaccination will be offered at a special rate of $190 per dose (below cost) at the University Health Centre from 16 October to 17 November 2023^.

The regular rate of $246.25* per dose will apply after the promotional period.

The above rate is offered to all full-time NUS staff and students only, up to the age of 45 years old. Your staff / student card and Singapore identification card are required at the point of registration.

^ The dates exclude weekends as well as public and University holidays.
^ The promotion exercise is subject to stock availability.
* Rates are accurate as of 13 October 2023.

IMPORTANT – KINDLY READ BEFORE YOUR VACCINATION

You will be required to attend a doctor’s consultation at the University Health Centre before undergoing the above vaccination.

Consultation charges for the HPV vaccination will be waived during this promotion.

If you have taken your earlier dose from a clinic other than the University Health Centre, you will still be required to attend a doctor’s consultation at the University Health Centre.

Kindly note that you will need to be observed after your vaccination. Hence, please arrive at the University Health Centre for registration before 4pm (during its opening hours) to allow sufficient time for your visit.

The HPV vaccination may not be suitable for you if you are pregnant, are sensitive or allergic to any of its components, or have an acute infectious illness that you have not recovered from. Please wait until you have recovered from the illness before taking the vaccination.

It is recommended to wait for two weeks after recovery from COVID-19 infection to receive the HPV vaccination.

When coming to UHC for your vaccination, please wear:
• your mask and,
• clothes with short sleeves or sleeves loose enough to be rolled up as the vaccine will be injected into your upper arm

Receive a free giveaway when you participate during the promotion period. Please redeem your giveaway at the counter. Only one giveaway per staff / student. Giveaways are available while supplies last.

If you have further clarifications regarding this vaccination exercise, please email uhc_health@nus.edu.sg.

Kindly note that the University Health Centre reserves the right to amend or modify the above terms and conditions at its sole discretion and at any time. The above is accurate as of 13 October 2023.
